

Blanket Permission Slip for Walking Trips.

We sometimes bring the children outside the fence at Liberty Learning Center to collect rocks and leaves or to visit with a fire truck! Though we stay on the property, we still need each parent/guardian to fill out this permission slip.

I hereby give permission for my child _____ to participate in activities outside the gate at Liberty Learning Center.

I understand that the walking route includes no safety hazards and that my child will not be going into any facility other than:

The Mobile Library / Bus – Bookmobile.
